MARTIN NATHANSON RETURNS HOME.

MARTIN NATHANSON RETURNS HOME.

Martin Nathanson, who served as racing manager and presiding judge of the meetings at Butte. Anaconda, Great Falls and Helena, Mont., has returned to Chicago to spend a few weeks before leaving for California to assume his duties as handicapper and programmer at Oakland during the coming winter. Mr. Nathanson plans to depart for the coast about November 1 and predicts a successful season of racing in California. Virtually all of the horses that raced in Montana will engage in the sport at Oakland, and Mr. Nathanson considers prospects far beiter than at the corresponding time last year.

The Montana meetings were all eminently successful. That at Helena was given in connection with the state fair and the attendance ran from 10,000 to 20,000 daily. The mutuel system of betting was employed at the Helena track and more than Ead,000 was wagered in this manner during the week that the meeting ran. The facilities for handling the money offered proved so inadequate that Mr. Nathanson has been commissioned to purchase several additional pari-mutuel machines for use next season. Coppertown, a three-year-old that Thompson & Rinehart purchased from Mrs. Harry Stover for & Einehart purchased from Mrs. Harry Stover for & Einehart purchased from Mrs. Harry Stover for & Einehart purchased from Mrs. Harry Stover for a race over a considerable distance a day or two later and then coming back to break the state record for three-quarters of a mile the following day. In all of his races he was called upon to concede chunks of weight to his opponents. It was discovered after his record-breaking performance that he had developed an osselet and this may keep him from starting during the early part of the meeting at Oakland, where his owner plans to campaign him during the coming winter.

REPORT THAT DANNY MAHER IS TO RETIRE.

New York, October 6.—Word has been received that the present season will see the end of Danny Maher in the saddle on English tracks. He will return with a fortune of more than a million dollars, the with a fortune of more than a million dollars, the carried during his career on the turf. Maher's retirement, it is said, is due to increasing weight He intends to settle down among the hills of Tipperary, in Ireland, where he can combine the breeding and training of thoroughbreds.

TAPLIN SUFFERS A BROKEN HIP.

Accident Befalls Crack Rider When Coal Shoot Runs Away-Two Races for J. W. Schorr.

Away—Two Races for J. W. Schorr.

Buffalo, N. Y., October 6.—There was no improvement in racing conditions at Fort Erie this afternoon over the preceding day. If anything, they were worse, but despite this a goodly crowd turned out and speculation was keen. The program, made up of six races, had as features the Iroquois Hotel Handicap, for two-year-olds, and a handicap for three-year-olds and upward, at a mile and an eighth. John W. Schorr furnished the winners in both these races, Edda winning the stake and Tom Hayward the handicap. Both were favorites and were heavily backed not only by the public but by their owner as well. Guy Burns rode both of the successful Schorr horses. The boy's contract with the Memphis turfman expired October I, and as yet he has failed to renew it. The Schorr horses are in excellent form just now and they should cut an important figure on the Kentucky tracks, where they will be raced at the conclusion of the Fort Eric meeting. Bob Co., Tom Hayward and Edda have all improved under young Mr. Schorr's training methods.

While going to the post for the third race, the two-year-old, Coal Shoot, got the better of jockey Taplin and ran away a mile. At the conclusion of the race the colt again ran away, this time the reverse way of the track. Bolting through a gap at the eighth post, he struck the fence and threw Taplin. The latter took a flying fall, first going up in the air, and landing on the ground with force enough to break his hip. The injured lad was removed to a hospital in Buffalo.

M. C. Pritchard announced that he would ship his stable from here to California at the conclusion of the Fort Eric meeting. R. J. Mackenzie's horses are also booked for Oakland. They will go from hort for material to strengthen his stable from where to California, will be taken up and of turned out in California, will be taken up and pat in active training upon Mr. Whyte's arrival at Oakland.

Joseph McLennan and Harry White will leave for New York next week to solicit entries for the stakes to be run

ages; 1 mHe.

The book for the first seven days of the meeting will be issued shortly and Mr. Levy states that every day during the meeting there will be one purse that will range in value from \$400 to \$1,000.

ARGENTINA RACING STATISTICS.

So many high-class English stallions have of late years been exported to South America that it is natural racing affairs in that part of the world should attract considerable attention in this country, and the accompanying statistics concerning the chief winning sires, horses and owners in the Argentine Republic will doubtless be of interest. The figures ere reckoned from January 1 last and brought down to the fifteenth ult. In the stallion list it is noteworthy that with the exception of the leader, Orange, and Ovacion (both sons of Orbit) all the other sires were imported, though, of course, Jardy and Wagram hall from France. That Orange will retain premiership until the end of the year is doubtful, but his total now is only \$6,500 less than that of Orange is La Coureuse, by Stockwell, out of Weatherbound, who with a light burden won the Cambridgeshire in 1860 from a big field. Diamond Jubice would, in all probability, have occupied a much better position had not his best son, Fulmen, been hors de combat for some time. for prior to his lithess he was regarded as the likely champion of his generation.

MANY HORSES ALREADY AT OAKLAND

San Francisco, Cal., October 6.—Superintendent James J. Grant of the Oakland track reports that there are more horses on hand at the course across the bay than in any previous year at a corresponding time. More than 200 are quartered within the enclosure or in neighboring stables and applications have been received for stalls for 500 more. Mr. Grant expects that all the accommodations will be required for the horses that will be shipped for the coming season.

required for the horses that will be shipped for the coming season.

William Soule, one of the employees of the New California Jockey Club, has returned from Montana, where he served as a minor official at Butte and Anaconia. He reports that "Ham" Keene informed him that he and his brother Jack would have a stable of from twenty to forty horses at Oakland this winter.

Lawrence & Comstock will ship a string of twenty-five horses from their farm near Lincoln to Oakland track within a week or so. Walter Jennings plans to ship in his horses from his Woodland Farm this week.

to ship in his horses from his Woodland Farm this week.

Gil Summers, who spent the summer months at Vallejo, will bring down ten horses and W. Heath will bring a string from the farm of Charles W. Clark in the near future. Cluny and other fast ones are among them.

Clint Eugan has received word from his brother Eddle that he would return to his Emeryville home with his mother and other members of the family after the close of the Canadian circuit. Dugan will ride here with the opening of the season.

When John Crane bought Belleview and Quantico at the Reverwyck Stable sale at Saratoga, he arranged with Charles Casey to bring them to the coast in his car. Quantico, a useful horse, was taken ill en route and Mr. Casey left him at Ogden. For a time his condition improved, but he surfered a relapse and died.

Under the direction of superintendent Grant the work of placing a new top dressing on the Oakland track has begun. Other work of preparation for the approaching season has been entered upon.
